“ Ed was one of the most kind and gentle men I have ever known. I always admired how he was able to talk to anyone and seem interested in everything you were doing. He was very smart and was always striving for more. My deepest sympathy to his family.

“ Ed Parks is deeply missed by this church family at Florissant Presbyterian Church. For over fifty years, Ed Parks was a faithful leader and member. He gave his gifts generously and always had a kind word for everyone. Ed daily devoted himself to the reading and studying of the Bible and was a man who trusted in prayer. His varied travel experience and depth of practical knowledge was only matched by the humble way he shared himself with others. Always in the center of his life was his love for his devoted wife Doris and his children Carol and Rick. Ed Parks was a gift from God to our lives and a blessing to our church.
