“ My family and I would like to extend our sincere condolences for the loss of your loved one. May the true God mend your family crushed and broken hearts, and may your family find comfort in God's promise of the resurrection. (John 6:40) Which assures us that we will see our loved ones again

“ im sorry to hear but thankful her struggle will be over. a brave girl and a wonderful human who never failed to smile when she saw me. i loved her as a person and admired her strength, as she taught me a lot about life. i to this day respect her battle and place her in high esteem. her story taught me to never give up and stop complaining...
