“ Shelly you will be missed by so many. My memories entail you always making me laugh. I loved your style and how you always spoke what was on your mind, No beating around the Bush. Rest in Peace my friend. See you on the other side and have a glass of wine ready for me. Love Linda Timme

“ I'm very sorry to hear about Shelly's passing. I knew her from Crest Bowl. I remember she always had a smile on her face and always had something funny to say....hard worker too. Prayers to her mother and family for peace and comfort.

“ I just heard the news about Shelly on FB, we connected many years ago on FB as we both had been dealt with breast cancer and I believe we lifted each others up. Shelly was an amazing person and I will truly miss talking to her on FB and seeing all her pictures of her dog. RIP Shelly and fly high, you are now with your Daddy and I can just picture your smile on your face when you saw him. I will keep your entire family in my prayers and thoughts!

“ Shelly I will missed you so much. We had so much fun in the 40 years that I knew you. Lots of partying and laughs real good times working together at Crest Bowl. And I am so glad I got to spend the time with you in the last few months that you were sick it just brought us closer together. But you were very sick and that was the part I didn't like to see because you were always a strong person in everything you did and to see you so weak just broke my heart. But I still try to make you laugh every time I could. You always had a beautiful smile and was a beautiful person inside and out. Don't thank you will every be forgotten in my heart because you want. My husband Mike thought the world of you and me and him both can't believe you are gone. But in ours hearts you are still there and always will be. Please rest in peace.
